About Qudian Inc.

Qudian Inc. ("Qudian") is a leading provider of online small consumer credit in China. The Company uses big data-enabled technologies, such as artificial intelligence and machine learning, to transform the consumer finance experience in China. With the mission to use technology to make personalized credit accessible, Qudian targets hundreds of millions of young, mobile-active consumers in China who need access to small credit for their discretionary spending or budget auto financing solutions but are underserved by traditional financial institutions due to lack of traditional credit data. Qudian's data technology capabilities combined with its operating efficiencies allow Qudian to understand prospective borrowers from different behavioral and transactional perspectives, assess their credit profiles with regard to both their willingness and ability to repay and offer them instantaneous and affordable credit products with customized terms, and distinguish Qudian's business and offerings.
